Shore Siding, Inc.
1312 Asbury Avenue
Ocean City, NJ 08226

Dear Ralph and John:

We would like to take the time to thank both of you and your people for the very positive experience of doing business with Shore Siding.

Andrew and I are not normally here this time of the year but as it happened we have witnessed from start to finish the siding of 4908-10 West plus the many extras that have been required along the way. This has been an exercise in how a group of dedicated and talented professionals can transform a middle-aged home into an impressive and proud dwelling.

The thoughtful and organized fashion of each task was a wonder to watch. There never was a doubt of when and what was to come next. The constant visits by both Ralph and John always assured us that everything was going according to plan. Never once were we refused when we asked for "just one more thing."

It has been great and we will miss your daily attention. If you ever need an endorsement, we would be happy to accommodate.

Sincerely,

Joan & Tom Morello
